semi-island

the drawing illustrates a typical semi-island arrangement to create more seating and hanging spaces..

the units shown are VZ2 island unit with shoe tray, backseat and hook rail, fixed into VZ8 bench unit with H170 hook rails over .

all drawings shown refer to our standard Variset range, however all products can be specified to meet any requirement, for example, three slat seating can easily be increased to four or five to meet Sport England or DDA regulations.
